

Latvia Weekly:

Zelensky and Istanbul Convention

Latvia | Week 17 | Month 4
December 25th - December 31st, 2023

New observations this week: 2
Main channels: Facebook, Tiktok

Main keywords:
Corruption, Ukraine, Istanbul Convention

Main narratives:

- Alleging that Volodomir Zelensky is spending the aid given by other countries to buy villas in Egypt.
- The Istanbul Convention will be harmful and will take away children.
- Anti-LGBTQ Sentiments.

Overview:

In the examined week, there was significantly lower activity in the disinformation channels examined. Similarly as last week, central topics are corruption and the Istanbul Convention. As seen in prior weeks, there is more activity in X which has also started to gain engagement. Nevertheless, the form of the content that reaches the highest engagement remains to be in video format and is reached in Tiktok or Facebook platforms.
